FRANK E. LANGLEY, Publisher

At least the leaves of the trees knew 'twas Arbor day, for they came out to celebrate.

Swearing "By Jimenez" is a popular oath among certain classes in the Dominican republic.

"That prospective 40 cents a ton additional sends a coal chiller down the spine of the average householder."

Apparently Senator Carroll S. Page does not like the appearance of the dust rising over the town of Cavendish.

Again the advertisers, correspondents, clergymen and others are requested to bear in mind that beginning to-morrow the Times will be published each Saturday at noon during the summer and fall seasons. This change demands that copy be presented at the office at least four hours earlier than on other week days in order to make certain of insertion in the Saturday issue.

AMONG THE GREEN HILLS OF VERMONT.

Along with the other railroads no doubt, the Central Vermont Railway company is expecting that Vermont will receive a large tourist business during the coming summer and that probably a reasonable percentage of that tourist traffic will utilize the railroads for coming and going. As a means toward encouraging the movement of a large business to the state, the company has just issued its 26th consecutive volume of "Summer Homes Among the Green Hills of Vermont and Along the Shores of Lake Champlain." The book is, as usual, handsomely illustrated and it contains a great deal of information which will be found reliable by persons who are seeking places for rest and recreation. The edition numbers 8,000 books and is intended merely for distribution outside of the state, where, of course, it is calculated to do the most good along the lines intended. Thus the Central Vermont Railway company is contributing toward the general purpose for the upbuilding of Vermont as an ideal place in which residents of the cities may spend weeks, perhaps months, in pursuit of rest, pleasure and health.

I know Resinol will heal this rash

I never worry if I have a little rash or other eruption break out—I just put on a bit of Resinol Ointment. That takes out the itching and burning instantly, and soon clears the trouble away. I learned of Resinol Ointment through our doctor prescribing it for my brother. Tom had been almost frantic with eczema for months but that ointment healed his skin like magic.

Resinol Ointment is sold by all druggists.

AUCTION SATURDAY EVENING

I will continue to close out my stock of Cut Glass, Silverware, China, Jewelry, Watches, etc. Cut Glass Water Sets, Rogers Silver Tea Sets, Eight-Day Clocks, Watches, etc., will be sold Saturday night.

EXCESSIVE MEAT EATING

Most people who are troubled with flatulency eat more meat than is good for them. Flatulency is wind on the stomach. Excessive meat eating or defective nerve force is responsible in most cases.

Cutting down the amount of meat in your diet and taking a course of treatment with Dr. Williams' Pink Pills to strengthen the weak nerves that control the digestive processes is well worth trying if you have wind on the stomach, sour risings in the throat, a feeling of weakness in the stomach and palpitation of the heart. Dr. Williams' Pink Pills are recommended for thin blood and weak nerves, whatever the cause.

Send today to the Dr. Williams' Medicine Co., Schenectady, N. Y., for the diet book "What to Eat and How to Eat." It gives information regarding the tonic treatment for many forms of stomach trouble. There cannot be perfect digestion without a sufficient supply of red blood and there is nothing better than Dr. Williams' Pink Pills to enrich the blood and tone up the stomach.

Your own druggist sells Dr. Williams' Pink Pills or they will be mailed, post-paid, on receipt of price, 50 cents per box, six boxes \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

PASTOR INSTALLED AT SOUTH RYEGATE

Rev. S. Thomas Simpson Who Takes Presbyterian Pulpit Comes to His Work Highly Recommended.

South Ryegate, May 5.—Rev. S. Thomas Simpson was installed Thursday evening, May 4, as pastor of the First Presbyterian church at this place. The services were conducted by Rev. Edgar Crossland of Barre, moderator of the presby-

REV. S. THOMAS SIMPSON

tery, assisted by Revs. F. H. Laird, John McInnes, L. Simpson and D. M. McKinley.

The choir ably rendered the anthems, "Seek Ye the Lord" (Roberts) and "The King of Love My Shepherd Is" (Shelley). The male quartet's selection, "Memories of Galilee" (Palmer), was much appreciated. The church was beautifully decorated with potted plants and evergreens. An informal reception was tendered the new pastor, which was largely attended and was throughout a most enjoyable affair. Refreshments were daintily served.

Mr. Simpson has been here five months and with his strong Christian character, earnest devout work for the cause, and highly intellectual sermons, has proven himself an able man for the position. The Canadian and American press, having had frequent occasion to refer to Mr. Simpson's work, are strong in commendation.

Following is an extract from the Canadian paper in the town of his last pastorate:

"Members and friends of the Billings Presbyterian church were considerably surprised last Sunday morning when Rev. Thomas Simpson announced that he had decided to resign the pastorate here to take effect the second last Sunday in November, or sooner if his successor was secured before that time. This is the second time Rev. Simpson has had charge of the Billings congregation, it being his first charge after leaving college some nine years ago, and the pastorate term he is now ending. In addition to his church influence, Mr. Simpson is a leading member of the Masonic, I. O. O. F., Orange and Sons of Temperance societies, and is at present district worthy patriarch of the Sons of Temperance and deputy supreme grand chaplain of the I. O. O. F. of British North America."

"During his pastorate Mr. Simpson has

size of ours is favored with the service of such a man. Mr. Simpson's educational and intellectual calibre thoroughly trained in school, college and university, as well as widely experienced in pulpit work, his forensic ability is of the highest order and the church in Vermont, U. S. A., securing his services is to be congratulated as well as the one losing them is to be consoled.

"Again we express our regret at his departure from us, but we congratulate the people of his new charge and bespeak for him a continuation of the success his devoted, high-minded Christian life so richly deserves."

Now for the first time your sense of pride and strictest economy are fully satisfied in one and the same car.

Never before has a stylish, comfortable, completely equipped car been offered at anywhere near so low a price.

This Overland costs only \$615.

But it is every inch an Overland—a perfect beauty. Though a small, light, economical car, it is roomy, strong and powerful.

And it is absolutely complete to the last detail.

Of course it is electrically lighted and started; and the electrical control buttons are located on the steering

column—right at your fingertips.

As for easy riding, this newest Overland is not to be compared with any other car of its size.

The buoyant cantilever rear springs, the deep, soft upholstery, and large tires provide real riding comfort.

You should have a car this spring—

—and if you want top class at bottom price, it must be this Overland, for no other car meets both these requirements.

The demand for this car is in excess of the factory's capacity. Order yours now, to avoid delay.
